

Track Usage Procedures - GVKC Members Only

To use the track on an unscheduled day during the race season, please complete this track usage procedure form and send it along with the fee of \$75.00 plus any additional required fees noted below to: Al Gutberlet, 985 Pear Tree Lane, Webster, NY 14580. Track rental is available only to current GVKC members. For questions, contact Al at (585) 872-1973.

When you first arrive at the track, open the restrooms and turn on the water by turning on the circuit breakers just inside the doors in the men's room. All the breakers should be in the "on" position.

You should walk the track to make sure there is no debris. Only two karts on the track at once; there should always be someone in the pit spotting in case of emergency. Remember, safety is your responsibility!

You have use of the facility from 10AM to 6PM. **No motors can be started before 11 AM; motors must be shut off by 5 PM.** Everyone must be off the grounds by 6PM. Before you leave, you must turn everything off that you have turned on, and lock everything you have unlocked.

If anyone is found driving on the track inappropriately, or if you are caught driving anything but a recognized safe go-kart (no "fun karts," cars, motorcycles, etc.), it may result in penalties for the person who has officially requested to use the track, and/or a loss of the privilege to use the track in the future.

I have read and understand the above regulations and responsibility that I am assuming when using the track. By signing this form, I also agree to subsequently submit (either by mail to the above address, or bring to the track at the next racing event, whichever would allow the forms to be received sooner) completed insurance forms for all people that are at the track on the day noted. All minors must have a minor release form submitted (if not on file with the club for the current year), along with the adult and minor release waivers for the day. All forms will be made accessible at the track for completion. Completed forms must be received by the next race day or future use of the track may be denied.

PRINT the name of each individual that will be accompanying you at the track on the date requested, and ensure that the forms mentioned above are submitted for each person. If people were added or removed from this originally submitted list, please note these changes on a separate sheet when submitting the required waivers and release forms.

ADDITIONAL FEES: The track can be used by up to 4 people for a flat fee of \$75. To cover insurance costs, there will be an additional fee of \$15 for each person in excess of 4, up to 13 in total (no more in any given day).
